

Dear Colleagues,

Thank you much for the interest to the International Workshop “Methods and Instruments in Astronomy: from Galileo Telescopes to Space Projects” to be held in Nikolaev on November 16-19, 2009!

The preliminary programme of the Workshop is available through the Workshop website <http://www.mao.nikolaev.ua/nao2009/>

If you have any suggestions, don't hesitate to contact the Workshop e-mail.

We are kindly asking you to confirm your intention to take part in the Workshop and send your arrival and departure dates and times as soon as possible, so we can make booking the hotel rooms.

The Organizing Committee of the Workshop is intended to support (partly or in full) the participants in the hotel expenses.

We are asking you to tell the LOC whether you need an invitation (in paper, fax, e-mail). The paper copy of invitation you can get upon your arrival to the Workshop.

Looking forward to meeting you in Nikolaev!

SOC and LOC
